Knowledge . . .

Knowledge is the hill which few may wish to climb.

Duty is the path that all may tread.

-Lewis Morris

Beauty .....

Walk the rainbow trail  
Walk the trail of a song,  
And all around you will be beauty.

-Anonymous

Affections .....

So many gods, so many creeds,  
So many paths that wind and wind,  
When just the art of being kind,  
Is all this sad world needs.

-Ella Wheeler Wilcox

Individualism

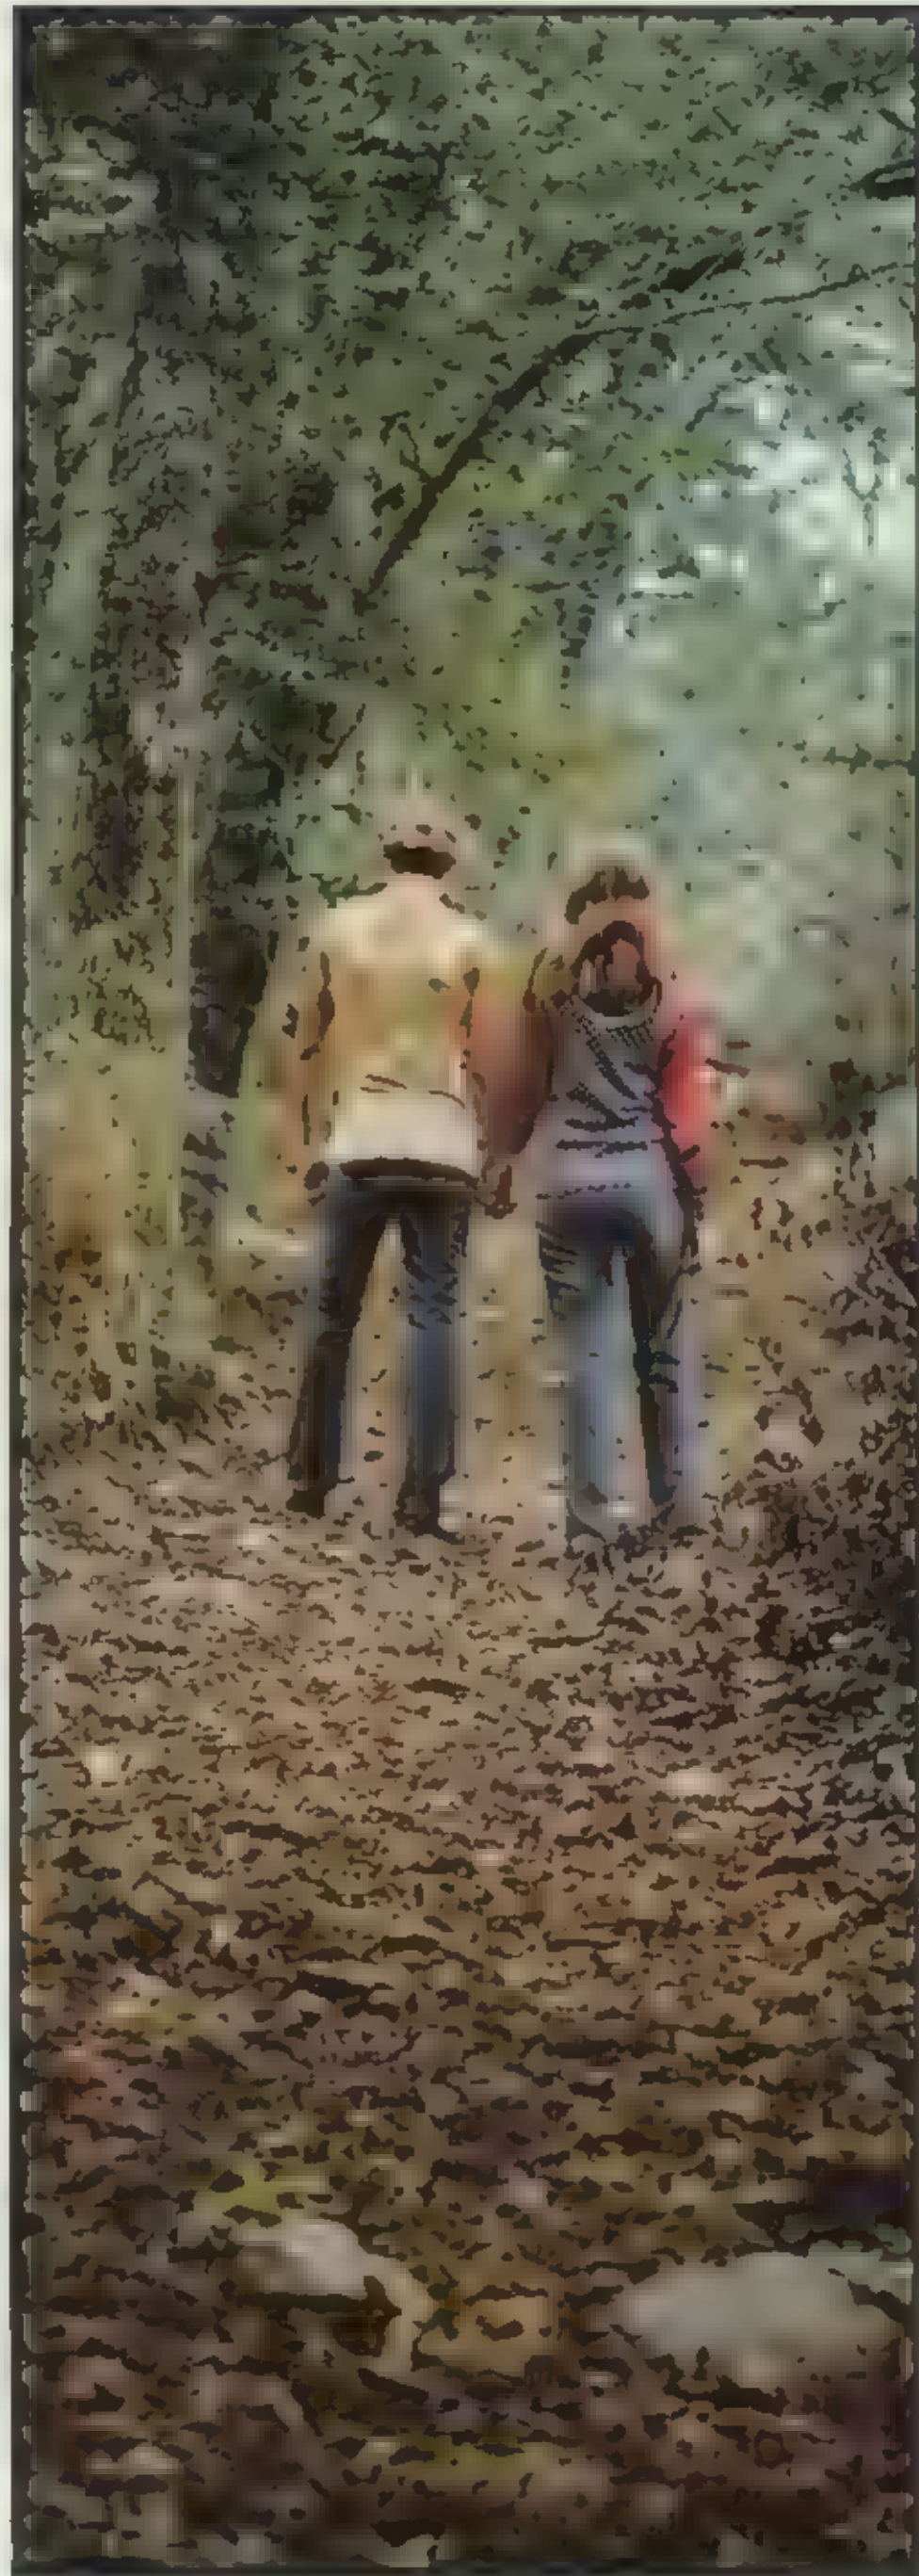

I will not go where the path may lead,  
 & I will go where there is no path;  
 & I will leave a trail.

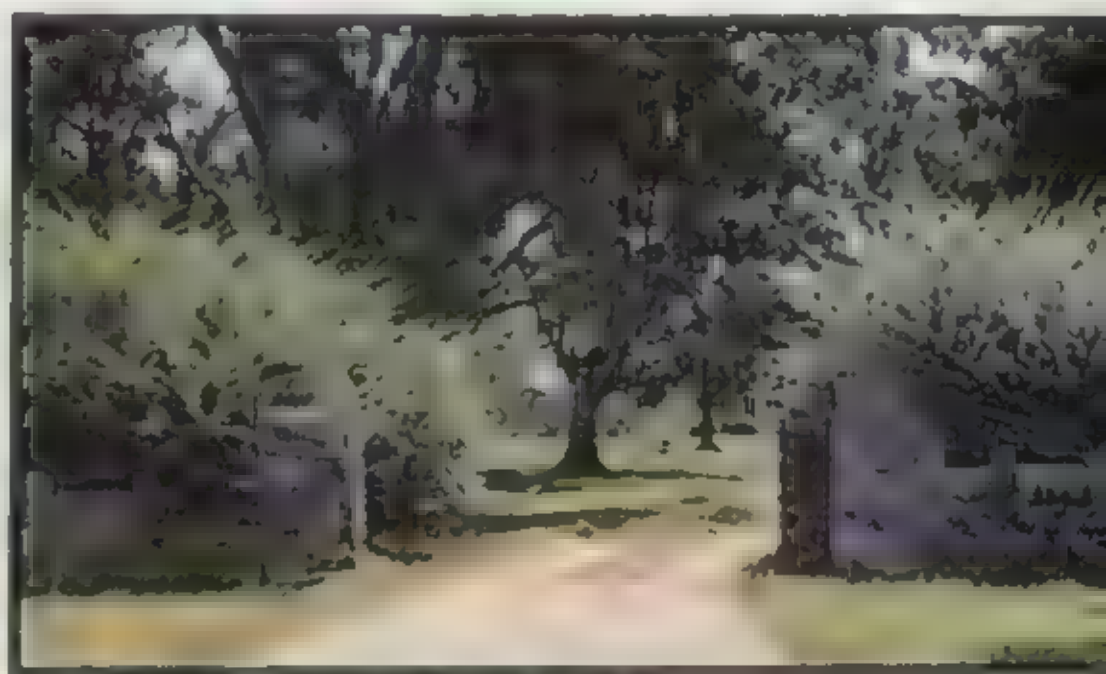

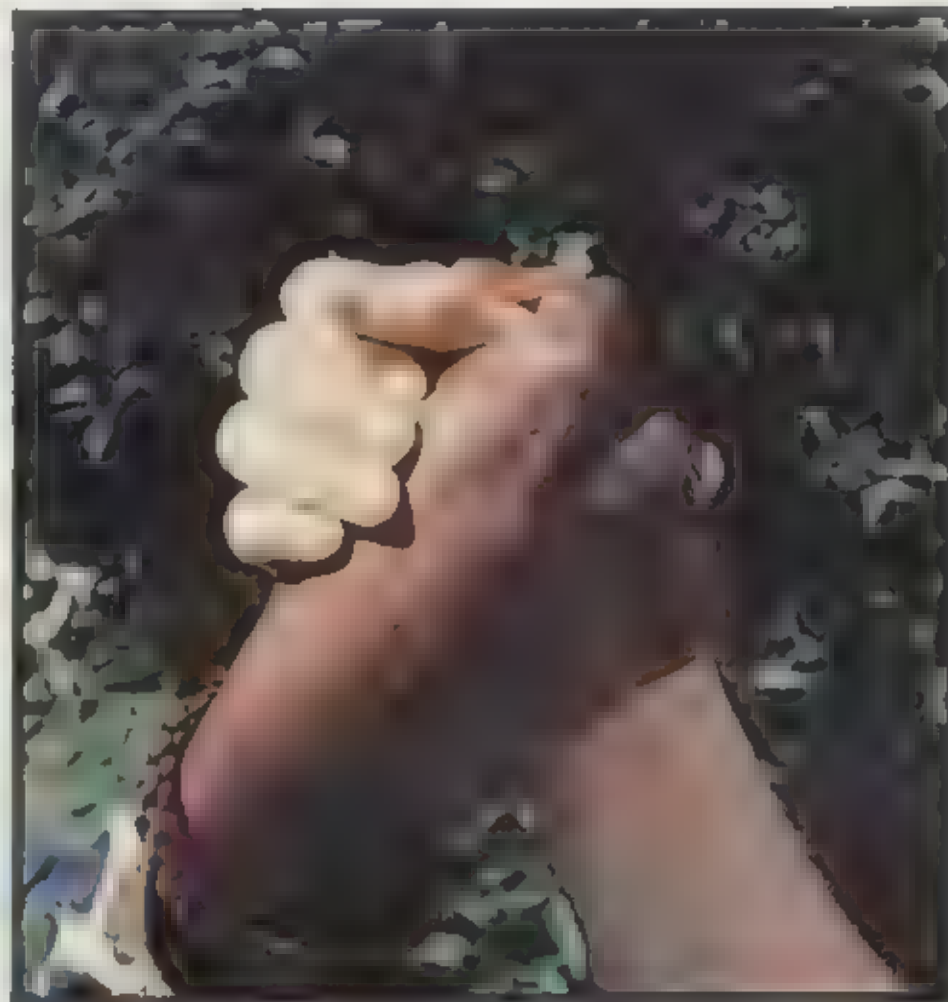

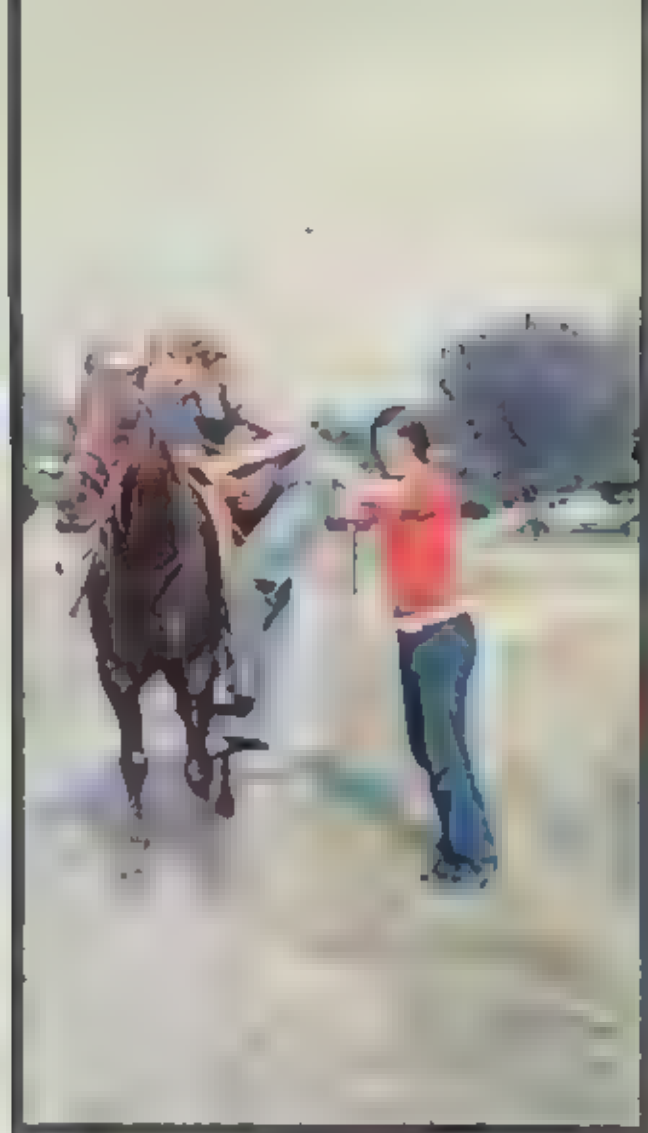

-Muriel Strook

# DEDICATION

Throughout life we are exposed to many different people. These people influence us in various ways. However, if somehow we are blessed during our life to come in contact with someone who cares enough to dedicate most of her life to helping young people attain the highest goals, we are indeed fortunate. We have such a person in our school. As a token of our esteem, respect, and most of all, love, we dedicate the "L. H. Bridge" to Miss Ruth Ray.

Dear Students:

I have been pleasantly impressed this year with the peaceful, harmonious atmosphere at Central High School. This is due to the cooperation and dedication of our faculty and students.

I am honored to be a part of this group, and I am equally honored to be a part of the progress being made in the field of education in Lincoln County. Through your continued cooperation and that of your parents these new educational ideas can succeed in improving the school system of this county. You, as students, are the ones to benefit from these efforts; and you must be willing to work to see that they become a reality.

Sincerely,

*Leonard W. Mumford*

Over the years Central High graduates have attained distinction and service in many fields. May the 1974 graduates add to this record by serving and by upholding the ideals for which your school stands.

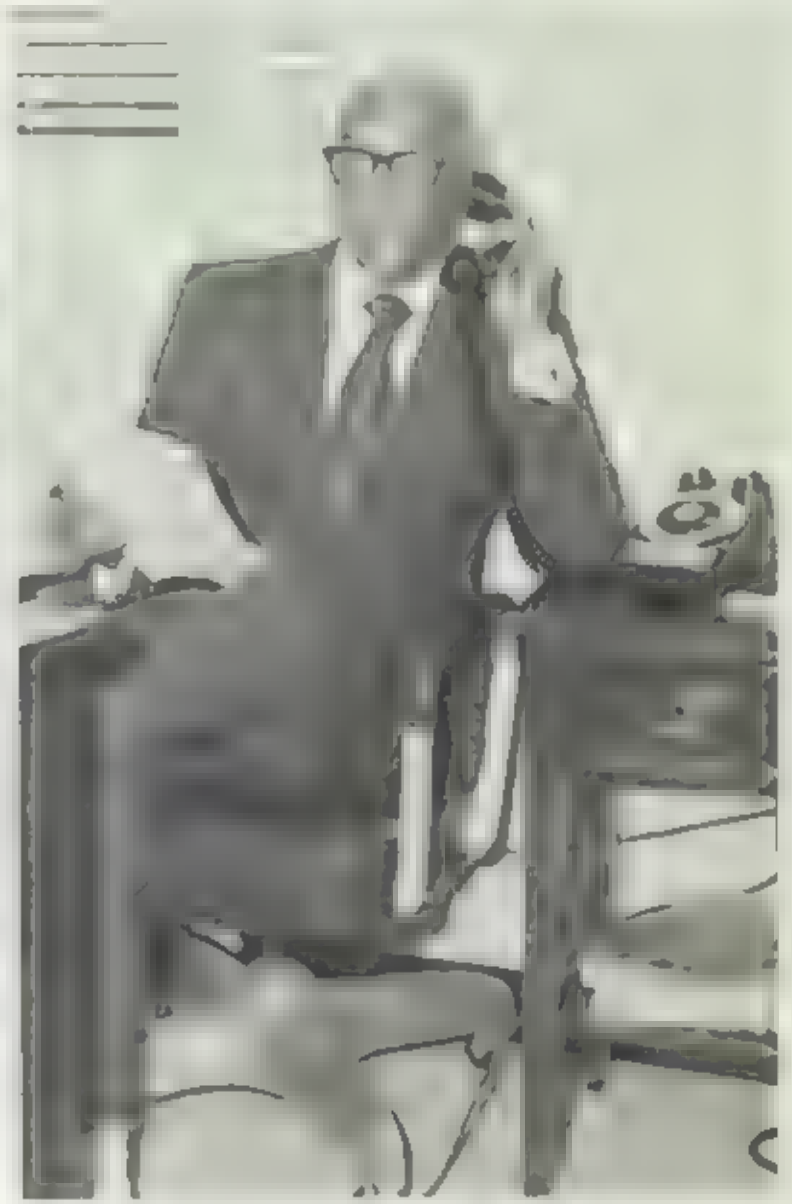

We trust that you have learned to shoulder burdens, to work at difficult tasks and are ready to press forward to new achievements.

In later years as you look through THE BRIDGE, you will realize more and more that you were and still are a vital part of the life of this school.

*Billy Joe Erand*

# SENIORS OF 1974

## Memories, placed between the pages of our minds

The yearbook staff has endeavored to compile for you a memory . . . one that will last forever. We have chosen carefully those pictures which best portray all phases of school life. During the year we have been assisted by many people. We sincerely extend a note of appreciation to:

Miss Ray - for tolerating our weird ideas

Johnny - supplying our weird ideas

Our parents - their understanding at deadline time

Donna - typing on the school's worst typewriter

Jackie - figuring out Steve's mistakes in the picture money

Linda - bringing out the best in our athletes

Steve - contributing his artwork and always being around at picture time

Hue - being patient whenever we ran out of ideas

Danny - filling in during emergencies

Teachers - letting us out of class

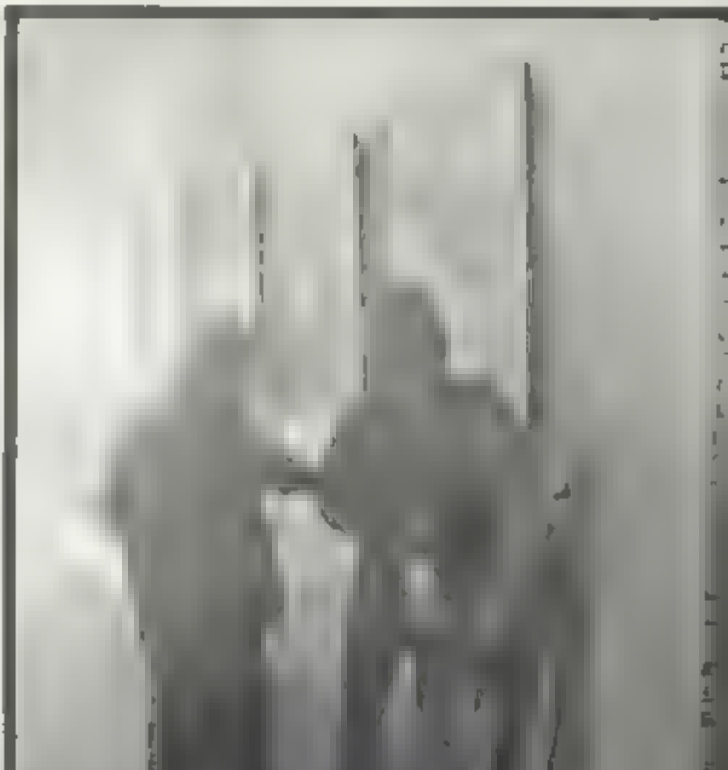

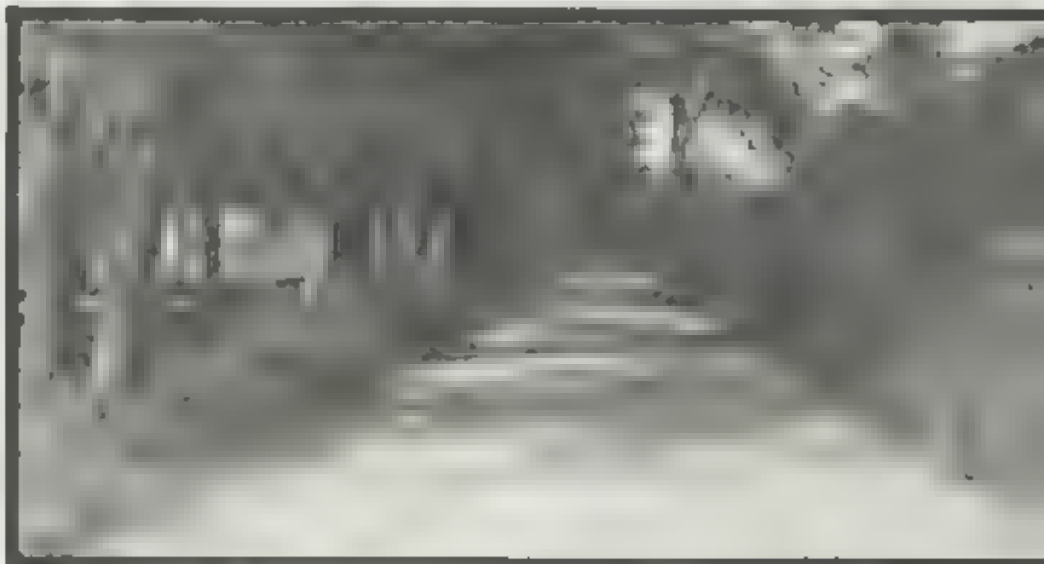

Patrons - helping us finance our yearbook.

Susan Hopkins and Sheila Bates

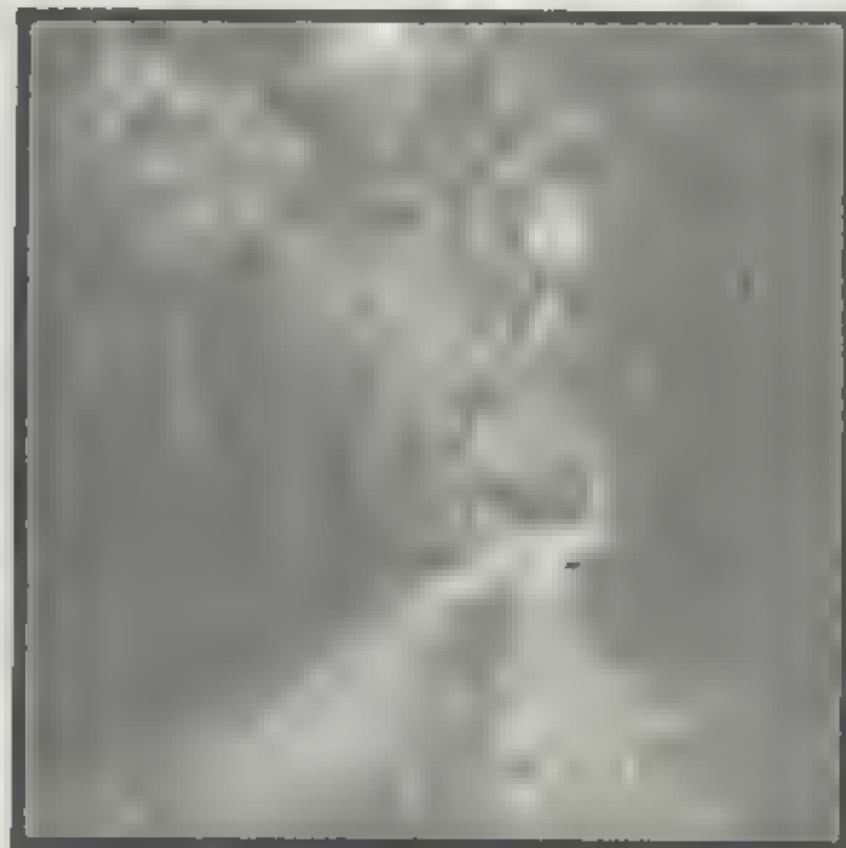

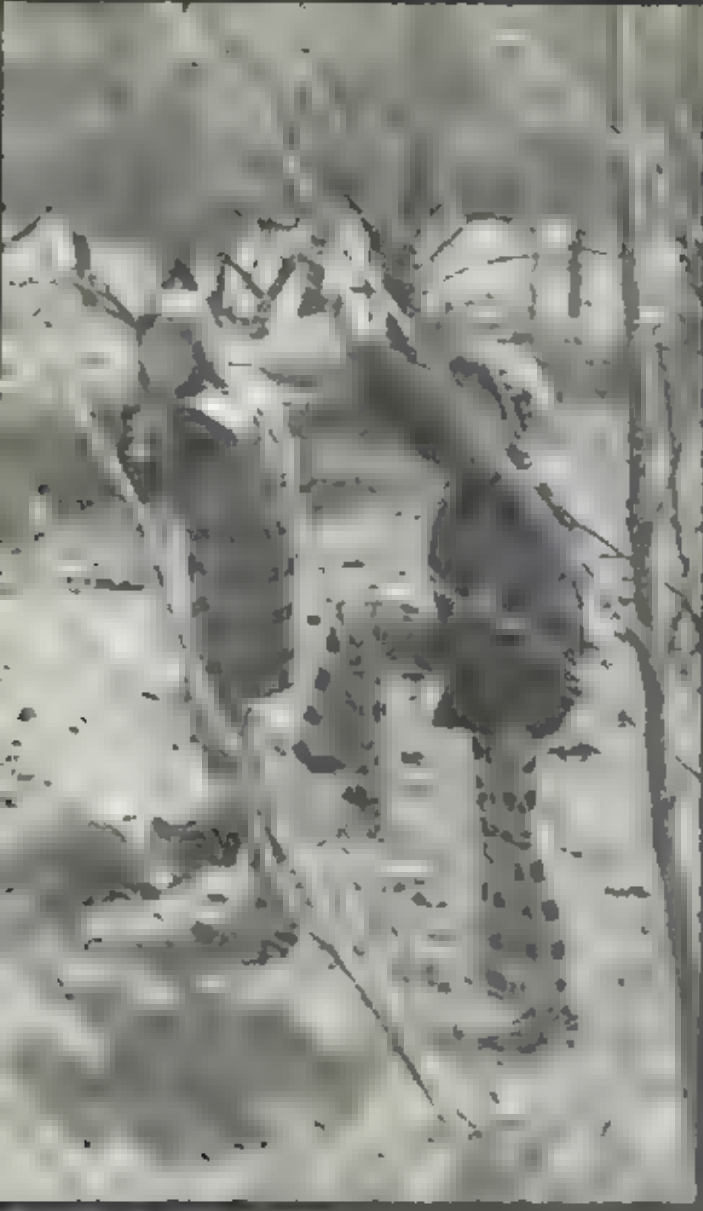

Co-Editors

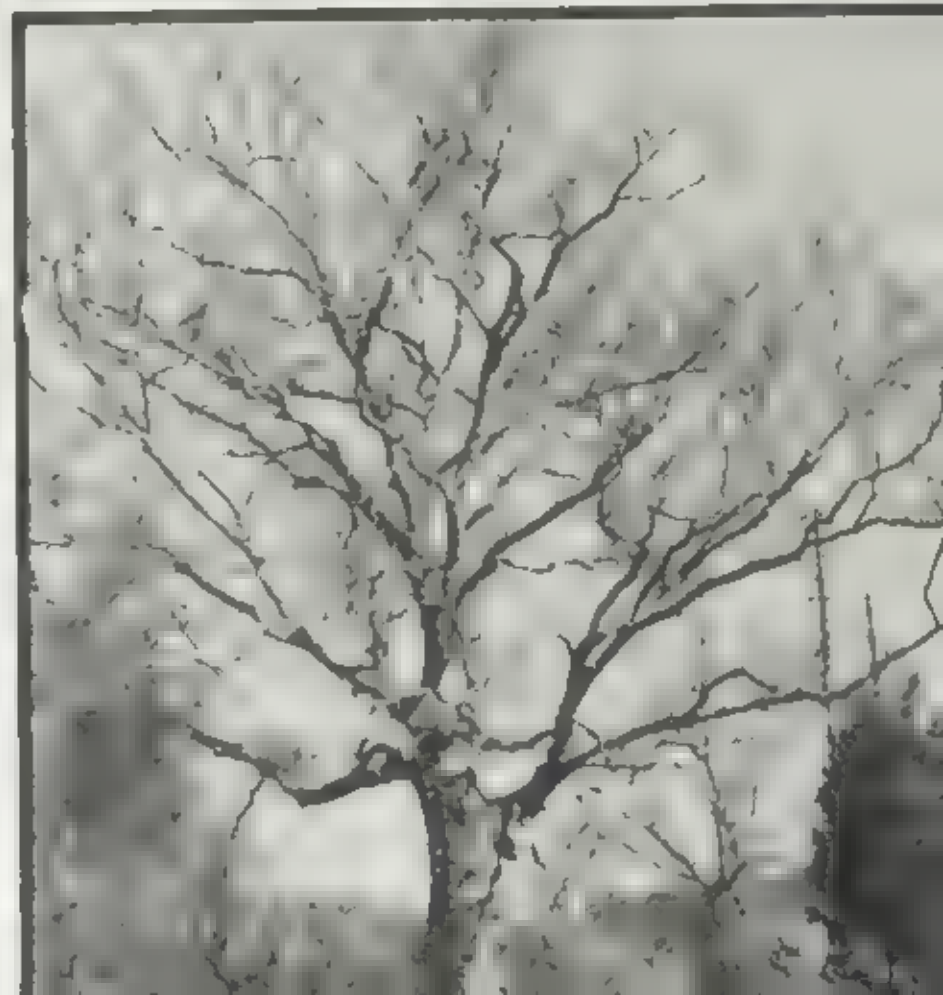

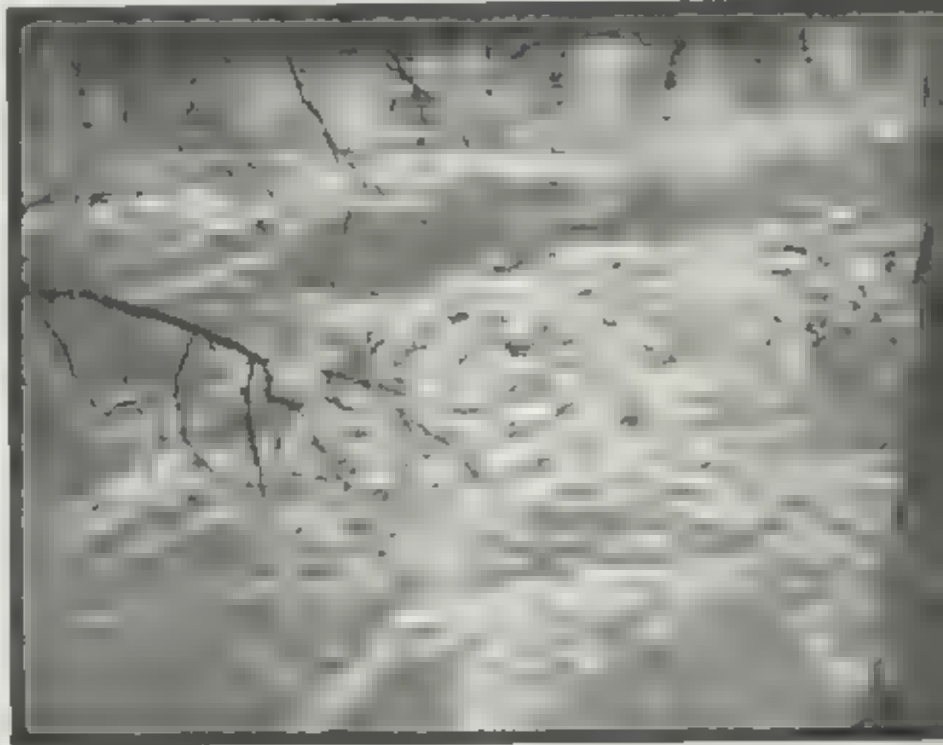

Endings

We bring our years to an end,  
As it were a tale that were told.

from each hour,  
and with confidence, and I  
myself. Dare to be different,  
enjoy what is meant,  
and the world will be  
a better place.  
The world is a better place  
when we are all  
a little bit different.
